Thread: [Free Crypt Service \[FUD 0/23\] - LIMITED SLOTS](#)

gazorpazor - January 31, 2019, 4:49 am

Stub has been improved alot, this is a new thread in this section. But was posted previously in free services.

What im offering

Want a slot? PrivateMessage me on HF.

Or add me on jabber admin42069 @ xabber . org

FUD Encrypt of your file 0/23 on scanner. Scantime & Runtime FUD.

1. usb spread (request)

2. fud

3. anti vm / sandboxie (request)

This service will be free until i am confident to bring it to market. Maybe 2 weeks.

I am reopening slots with this fresh thread, any previous users are open to grab a slot again.

CURRENT SLOTS 8/15 LEFT!

-Lunar - January 31, 2019, 4:58 am

Just got the first slot :D thanks so much for the service!

going to test on spyralscanner after I get the output back :D

I.M.P - January 31, 2019, 5:03 am

I'll shoot you a pm soon ?

R A B B - January 31, 2019, 10:10 am

I am interested tossing you a pm.

gazorpazor - February 1, 2019, 5:17 am

slots filling up quickly, grab a slot wile you can.

ETH - February 1, 2019, 6:59 am

I'm also interested mate can I get a slot

Mr Relic - February 1, 2019, 7:04 am

Good luck with bringing it to the market soon OP, sounds like a very good service!

Skull-13 - February 1, 2019, 7:05 am

If it supports C# then hit me up with this. Thanks in advance!
