Description

Needed an iTunes card and found AncientWolf selling a \$75 code for 60% BTC. Sent the BTC and user has read my messages and hasn't sent me a code or replied to any of my messages.

Also doesn't help his case that there's 3 other users who have also opened disputes against him. Honestly pathetic to scam for \$49, but I guess some people really need the money.

Another exit scam probably? I hope it gets resolved and the guy to either refund or deliver the service.

Geass - February 1, 2019, 3:03 am

Damn scammers, they can't get legit money on their own so they prefer to steal, I hope he will refund you OP, but sadly very unlikely.

Guess it happens from time to time. Should've been more careful before sending him the BTC. Didn't see the open disputes since I haven't really been active on HF in quite a while after the contract system update.

I'm sorry for your loss mate. The 60% BTC just yells "scam!" in your face. I hope you can recover from this OP, we've done deals in the past! ?

PerfectStorm - February 1, 2019, 4:52 pm

Ooof looks like a clean scam to me.

Sorry for your loss.

ruismat - February 1, 2019, 9:57 pm

Very sad really, I learned from the stumblings haha, I was tricked several times for not making contracts... but I learned the lesson, but you have to be very careful in the same way.

Cocaine - February 1, 2019, 10:01 pm

So many scammers, you got the proof though. Good luck with this OP!

Kael. - February 1, 2019, 10:02 pm

Looks like legit scam report. Sorry for your loss OP

Pikachu - February 1, 2019, 10:11 pm

Why do some people have to be so heartless and scam others out of their hard earned money?

I hope this gets resolved soon OP.

Tzuyu - February 2, 2019, 10:54 pm

Still hoping that this gets resolved and he sends me the code, however seems very unlikely now at this point. Shame

Tzuyu - February 5, 2019, 6:22 pm

Deal is still unresolved.

Tzuyu - February 11, 2019, 4:23 pm

What's taking so long for a response?

?ytes - February 21, 2019, 9:19 pm

I doubt a ban would even help at this point due to his other accounts (presumably). Jesus Christ, what a pathetic loser.

User doesn't respond to PMs, dunno what's taking so long for Omni to ban or w/e.

Admins/Staff do not get involved with deal disputes. (Sometimes they do but its rare)

Not really, Omni often scrolls through this forum and closes a lot of accounts with valid contracts.
