Less than an hour doing surveys. Roughly ~\$3 per hour if you can get some good ones.

That depends on what your referrals earn. Right now, mine don't earn me anything, so its all my work. Here's the referral rates:

You will earn 10% of your level 1 referrals earnings.
You will earn 3% of your level 2 referrals earnings.
You will earn 2% of your level 3 referrals earnings.
You will earn 1% of your level 4 referrals earnings.

How long does it take you, personally, to earn that dollar?

I can usually get \$2-3 within an hour if I focus on it. I haven't been focusing on it lately, so its very slow. I only do the easy penny stuff lately.
