I won't say names but please watch out

There are scammers asking for bytes and reputation and then they won't do what they told you in the first post

Meow - February 2, 2019, 4:32 am

Report them to a staff member.

Effexion - February 2, 2019, 4:33 am

Why won't you say names? Just edit this thrad and post some valid proof.

That is one pathetic method of scamming. Smh.

Shelob - February 2, 2019, 6:25 am

They should be warned or something, thats not cool

StoqnKolev - February 2, 2019, 6:26 am

Don't hide the name of those users. They can scam someone else for real money

Do your duty !

Dope - February 2, 2019, 6:49 am

Report them. Why dont u post names though, they're allegedly scammers, so?

I miss the days where you could type a custom message.

GiraffeBear - February 2, 2019, 10:10 am

Maybe you should post the names of the users so all of us members are more aware of who's scamming.

Eagle 95 - February 2, 2019, 10:21 am

Just PM any of the staff...
