Yeah, I hate to break this to you but the prize was just a tad higher than 281 bytes ?

StoqnKolev - February 4, 2019, 1:48 am

Just bought some tickets for the fun
First time entering a lottery :P

Effexion - February 4, 2019, 1:54 am

Purchased 10 because I like to live on the edge. Thanks, OP and good luck to all.

Lavish Living - February 4, 2019, 7:00 am

Goodluck to all for today's daily! It ends a little earlier than the past few dailies and I plan on having all future dailies start and end around 9-10pm PST.

Current daily needs some more entries!

Also have 3 other lotteries running!

Lavish Living - February 6, 2019, 9:21 am

<https://hackforums.net/lottery.php?action=view&lotid=107>

Current daily has about a 150 grand prize, buy some tickets for a change to win :)

jimmyrock142 - February 6, 2019, 12:38 pm

Going to host the daily lotteries with 1 byte per ticket fee again.

Good luck Chuck

Try this one:

<https://hackforums.net/lottery.php?action=view&lotid=105>

You have the best chance at winning it since everyone can only get 2 tix

LOL.

But yeah Hack got pretty lucky on the last one lol. Most of the time if someone has 50%+ of the total tickets they win :(sorry for your loss it happens

Pyro - February 6, 2019, 9:09 pm

Np, I'll win one of your lotteries, that's for sure

I got very lucky lol, i think i only spent 25 bytes on it. Thanks for hosting these ?

Elitas - February 7, 2019, 8:47 am

I just purchased 72 tickets. ?

Lavish Living - February 7, 2019, 9:32 pm

<https://hackforums.net/lottery.php?action=view&lotid=113>

Yesterday's didn't reach that high of a prize ;)

If this doesn't do well I may have to call it good on the dailies. Have a few other lotteries running anyways as well as the official one so yeah don't really need dailies
