Auction

for

Xerotic Bot DNA Award

Hello everybody. My name is Xerotic and I [the full time developer](#) here at Hack Forums. I will be (and have been already!) creating plugins, adding features to the site, and improving site functionality where needed. While I am in this position I will be dedicating my time towards HF full time. In order for this to be possible, however, I must be able to earn money to pay my bills. As part of a plan to allow me to dedicate the time I will be (and have been) dedicating to HF, Omniscient has allowed me to grant the [Xerotic Bot DNA](#) award once per month with the understanding that it will be sold or auctioned each month (or granted for free/not granted at all). This will allow me to afford my rent/bills so that I can continue to pump out code and bring some amazing features to HF. Features that have been talked about for years are going to be coming to HF swiftly, but only as long as I am able to afford to dedicate all of my time towards the site.

Award

The Xerotic Bot DNA award is very rare. It has only been granted to seven members! The award will only be granted once per month and it will either be sold, auctioned, or given away. It is designed to support me so that I can support Hack Forums.

I would like to thank [Novica](#) for creating the award image.

Auction Details

I will update the thread with the current high bid and bidder as often as I am able to. If you are the winner of this auction you can have the Xerotic Bot DNA award granted to yourself or another member.

This month we've been working really hard on the upcoming HF Game.... expect the first public beta to come out soon!

Thanks!

Deal - February 2, 2019, 1:22 pm

Am looking forward to seeing who grabs this sexy award!

Shelob - February 2, 2019, 1:32 pm

Good luck giving this award, you deserve some appreciation for your hard work on this great HF

Omniscient - February 2, 2019, 1:47 pm

I hope this goes quick.

iNviZ - February 2, 2019, 2:23 pm

Honestly one of the best awards on HF. Thanks for all your hard work.

Elitas - February 2, 2019, 2:39 pm

Best of luck finding a buyer.

If you buy this award you're not just helping yourself to a great award.... You're also enjoying the fact that you are keeping this community alive with amazing new features which we never had only a year ago before Xerotic was part of the team.

One of the most valuable awards to own.

Help contribute to all the hard work Xerotic does for Hack Fourms.

Aren't you close to the last couple?

If so, this should be worth way more!

I think, and hope, there is no cap. Just as long as he is still working for Hackforums and devoting his time coding, testing and implementing new updates.

Haven't read anything about a set number of xDNAs available like other custom user awards.

I have no known limit. AFAIK I can sell them once per month as long as I am working full time for HF. However, if I don't sell this award I cannot afford to work for HF. It is a slippery slope.

Really hope this goes, good luck Xerotic you and Omniscient have made great changes to HF and it would be amazing to keep having you bud. <3

He does get paid every week but our arrangement includes a once a month award sale to help him earn from the community sort of like a waiter who depends on his tips. I just gave Xerotic an increase in his payments last month too. I can only afford to pay him so much. At some point it's too expensive to come out of my pocket and I'd rather slow development down or hire someone in India.

This might be the last XDNA award if it doesn't go for BIN. I don't want these threads to continue as they have been with the sentiment he is begging and that I'm not paying him enough.

Vanilla - February 6, 2019, 7:55 am

The "rich kids" part was meant to come across as comedic. This part was also in reference to the users who have 25+ awards that cost a lot and could afford another 20 more - I know we have them on the forum. I am fairly sure that there is nothing wrong with someone assuming that it's typically the people who have more money that can afford to spend \$1000 on the award.

I have recognized many times that he does amazing work for the community, I love what he's been doing.

Next time I would recommend reading the message twice, taking a look at what is quoted, not being too tired to not understand the slightly humorous parts, and then reply.
