Are you still interested in a keylogger?

Gold_EN - February 19, 2019, 2:09 pm

i am waiting for you and your suggestions !!! if someone want to talk with me about my request... password of my volaroom is Tools4FUN

Yes of course i am interesting SearchLight.What do you have in mind?

Shit Stick - February 22, 2019, 8:59 pm

Suggestions on the best paid keylogger currently? I am shopping.

Malicious - February 23, 2019, 4:20 pm

There are plenty of good paid keyloggers, you just need to know what you are looking for ?

The_Savior_One - February 23, 2019, 5:11 pm

hello friend
once i got keylogged
i have learned
keylogger is stealth

keylogger is more fud then rat
and this why infect you easily
you need choose good keylogger for your purpose
which stealthy and reliable
good thing is make it fud

Gold_EN - February 24, 2019, 6:49 pm

Hallo. Thanks for the replies guys!!! I want so much to pm you all but unfortunately can't. Come to my vola room please if you want because i can't send pm as new member! My vola room is h.t.t.p.s : // volafile .org / r / u8j0efz0 (without dots and space). I send it beacuse i can't put url as new member too. Password for my room is Tools4FUN. Thank you in advanced!!!!

Try to use syslogger or costex logger if you searching for free Keyloggers ?
if you want paid one i suggest sentinel [Here](#) ?
