Thread: [Appeal a negative rep left by a user?](#)

mkpubg - February 4, 2019, 6:03 pm

Hi, just curious if there is a way to appeal a reputation given by an old friend of mine who had a hissy fit one day.

-3 "gucci gang gang gucci gang gucci gang" was left on my profile.

Cheers.

Reps mean nothing man, just move on, contribute to the community and you'll be gold.

Here enjoy the +5, stay active and be nice.

mkpubg - February 4, 2019, 6:05 pm

Cheers mate! Enjoy your day!

I can imagine OP presenting exhibits to omniscient showing why he deserves to have it removed.

I can also imagine the anger Omni will feel after wasting a good 3-5 mins coz of this.

Mr. Robot - February 4, 2019, 6:08 pm

Negging OP so other users that dislike me rep OP and then I change mine later.

mkpubg - February 4, 2019, 6:08 pm

My apologies fellas, I didn't realize this would cause this much controversy. Hope everyone enjoys their weeks.

Ravioli - February 4, 2019, 6:10 pm

as soon as I gucci gang'd you robot changed his -2 into a -4 lol

damn what did you do to him?

mkpubg - February 4, 2019, 6:11 pm

I haven't been on HF in a while. I merely asked a question regarding the negative reputation posted by an old friend of mine.

@OP just remember to not bitch about your popularity points. It will lead to more negs and possibly a ban. Make sure your posts are HQ and eventually you'll get the greens.

Mix - February 4, 2019, 6:23 pm

Rep isn't a big thing anymore, as it used to be the main thing due to trades and services but that has its own thing now so rep is somewhat just a green or red number

mkpubg - February 4, 2019, 6:37 pm

I see, no problem. Cheers.

Enjoy though.

You can't appeal it... Upgraded members can leave any reputation they want on your profile for whatever reason. Sorry bro.

Meow - February 5, 2019, 2:43 am

I believe 10+ people answered OP's question.

You can close this or at least contact a staff member to close this.

Effexion - February 5, 2019, 2:48 am

Rep means nothing these days. Just suck it up and carry on.

StoqnKolev - February 5, 2019, 3:10 am

I don't think reputation is that important buddy, you should not care for it
