### Official Wiki | Notable Member Nominations [2019 Edition #1]

This thread will be a place for adding and suggesting new Hack Forums Members to the [Notable Members](#) list on the [Hack Forums Wiki](#).

Nominations are very simple.

However there are some rules that need to be followed. Nominations should be backed with facts and research.

A certain distinction or uniqueness from other users.

We are not here to feed members egos, we are here for the community.

You are not allow to nominate yourself.

You may not create your own page.

No trolling.

All user Nominations will be posted in this thread

Use the following code to nominate another member:

Code **[b][color=#00e4ff]Briefly describe why user should be added: [/color]/[b]**

**[b][color=#00e4ff]Any important links: [/color]/[b]**

**[b][color=#00e4ff]Users Profile Link: [/color]/[b]**

Reports should look like this Briefly describe why user should be added: Text here.

Any important links: important links use the List code

Users Profile Link: linkhere

After enough members have been nominated we may open a thread to the public for voting. If not the Writ3rs / Wiki Team will vote upon members.

How time have changed.

Old notable members come and go.

New members possibly becoming notable.

I can think of a few to added?

However, with my position i can't recommend/nominate new members.

Looking forward to see what we get.

You did read the OP for the requirements to nominate members didn't you?

Secondly, Please see your PM's for the reason your page was deleted.
