Thread: [Need Botnet builder partner](#)

Colaborator - February 8, 2019, 7:52 pm

I have already a website but im a total noob to this and never built a botnet so if you of you guys wanna have free hosting just contact me discord but I will want some info about the setup and how it works pm me for contact info

I.M.P - February 8, 2019, 7:53 pm

discord isnt allowed please remove your discord from the post :)

Is your webhosting safe? Location?

Colaborator - February 9, 2019, 10:21 am

(Feb 9, 2019 08:41 AM)GLWS88 Wrote: [\[CITE\]](#) Is your webhosting safe? Location? they cant track me down im paying with btc and a secured protonmail email so its impossible that they can track me down except if I directly login on the cpanel with my ip wich I do not do I use tor.

Skidcnt - February 9, 2019, 11:49 am

Pm me I'm interested in this offer

GLWS88 - February 9, 2019, 12:48 pm

And what is your target use of say botnet

meridian1 - February 9, 2019, 7:44 pm

(Feb 8, 2019 09:05 PM)Atroxcity Wrote: [\[CITE\]](#) shhh ? its better just not to mention lol yeah. but you shouldnt start if you have no clue of anything and no budget

yes friend. i am neat

Kumara - February 9, 2019, 8:12 pm

I can help you.

Check my signature.

Thank you.

Wade - February 10, 2019, 4:58 am

please guys, i will love someone to share his Email sorter licence key....Thanks

Amancio - February 12, 2019, 9:30 pm

Another person who should probably do a bit of research before jumping in like that.
