Thread: [What are you watching this winter 2019 season?](#)

-Rogue - February 10, 2019, 6:36 pm

For this season I am really enjoying the following on-going series:

- Mob Psycho II (I was quite anticipated about it's second season)
- Kaguya Sama: Love is war (As of now this adaptation is fucking brilliant)
- Domestic No Kanojo (My hopes are still quite low on this as the anime adaptation is quite mediocre)
- Yakusoku No Neverland (I missed out the last episode but still it is a decent adpattion so far.)

So, what are you guys watching this season?
