4.5/5 Quality of Information: Not a huge amount of information, but it goes through how to use this method and utilize it to get you a google adsense in less then 6hours. \*\*

4.5/5 Ease of Use: Easy to use. Anyone can understand it, you are bound to understand everything. Could go into more detail though. \*\*

4/5 Layout: Used pictures, done professionally, but its not on a document its on a website. I this you should save it in to a file, then upload it on a website. ex mediafire, megaupload. \*\*

4/5 Grammar: I saw some typos here and there but other than that its great. \*\*

4/5 Originality: Unique, The method in this eBook is unique, I enjoyed the method since I really haven't seen it before. \*\*
