Is the ebook available for sale?

LegendaryFox - February 24, 2019, 3:41 am

(Feb 23, 2019 12:56 PM)amiva Wrote: [\[CITE\]](#) Is the ebook available for sale?

No, it is a very simple ebook how Subs works, aka how the profiting split works with twitch and how buying subs gives you a good chunk of ROI, it isn't something that I would consider "sellable" material, which why it's freely included on an affiliate account purchase.

Most of them, yes, but you can change the username at a later date.

So you stream on the accounts, are these guaranteed for payouts?

LegendaryFox - May 28, 2019, 10:25 am

(May 28, 2019 01:30 AM)HesticalJr Wrote: [\[CITE\]](#) So you stream on the accounts, are these guaranteed for payouts?

I streamed on them to reach the affiliate status. I do not stream on them anymore as they are already affiliated. All accounts are handmade and are in perfect condition. There's nothing on the account that could lead you to an unsuccessful payout. What you do with the account after purchase is no longer my responsibility, any actions you take against Twitch's ToC is your own choice and unrelated to my service.
