Thread: [AutoInsta | INSTAGRAM BOT | AUTO LIKE | AUTO FOLLOW | AUTO COMMENT | NEVER GET BANNED](#)

Black Hat - February 14, 2019, 10:53 am

AutoInsta

What is AutoInsta?

AutoInsta is an intelligent system coded in Python 3.6 which will automatically like, follow and comment other users and their content on Instagram.

FeaturesUndected by Instagram (Tested on 100 test accounts)

Auto Like.

Auto Follow.

Auto Comment.

Auto Unlike.

Auto Unfollow

Target users based on ANY hashtag.

User Blacklist. (Will ignore users if part of their name contains a certain word.

Tag Blacklist. (Will ignore content which contains certain tags useful for keeping things out of your timeline such as pornographic images)

Fully automated growth.

Advanced commenting.

No configuration required.

No effect on computer performance.

Supports Linux, Mac & Windows.

Proxy Support.

Can be run on a VPS.

What to expect

100% Organic Growth through targetted engagement and interactions with other users. Typical results after running for 24 hours showed on average 350 new followers however this varies from with different niches and the quality of your own content.

Why should I use AutoInsta
Other bots or similar services have very high ban rates AutoInsta has not had ANY bans

AutoInsta operates within the rate/action limits which all Instagram accounts have.

There is no monthly subscription fee, the program is yours to use forever, wherever and whenever you want there is NO downtime.

What will you receive:

A fully functioning program

Unlimited support

Free modifications to your code (I can change which hashtags you want to target)

Setup Instructions

Cost: \$40 BTC/Paypal (3 Vouch copies available) ALL SALES ARE NON-REFUNDABLE.

Silence - February 14, 2019, 1:53 pm

I would like to take a vouch copy please.

Mad Hatter - February 14, 2019, 5:07 pm

I can give an extensive vouch on this. I'll take a vouch copy as well.

ETH - February 14, 2019, 6:33 pm

I'll take the vouch copy mate if available

HwangVPN - February 14, 2019, 6:38 pm

How can i contact with you

Nyx - February 14, 2019, 7:16 pm

If you don't choose any of the above members for your vouch copy I can give you an indepth vouch.
