I am not quite sure what you mean by an aged Instagram account...

richgang007 - February 15, 2019, 9:51 am

My earnings aren't daily, My method of e whoring is pretty rare so at times I could earn 3 grand a pop sometimes more; depending on which country my client is from.
Arabs pay the most.

What is the method you use on kik?How exactly do you do it?

Usually, about \$40-50/day but my traffic method flew away so I'm struggling now with traffic.

Gazebo - February 15, 2019, 10:27 am

If I go hard with it I can probably making \$100-\$200 a day. It all depends on the traffic and amount of time wasters you receive. The day I started I got about \$150 both in PayPal and Amazon cards. That was last Sunday. Today I haven't gotten anything because my traffic went down and I haven't really been messaging anyone.

TL;DR

You get more if you invest more. (Time)
