I've sold previously at this price point. It's not an issue.

You get what you pay for.

What is the minimum guaranteed time your shop will stay open and replace subscriptions? You say you have "no intentions of closing the shop anytime soon" but that really doesn't mean much.

There is no specific guarantee, I'm looking to keep the shop open as long as possible. As long as

I'm able to replace subscriptions, you shouldn't have to worry.
