Hacking a university is violation of federal law.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

Ecuador has an extradition treaty with the US.

Plus this is a US hosted site so you are subject to US laws

You don't know what extradition means do you? If I hacked an Ecuadorian university... Ecudoran authorities can have me extradited.

You're fucking stupid. Chingale tu Madre.
