120% 60 Day Money Back Guarantee

If you have tried this method and have NOT made at least \$12 within the first 60 days - Message me and I'll give you \$15 PayPal no questions asked.

This guide can easily become the best on HackForums and I am CONFIDENT in my ability to help you make money.

Due to the free version of the guide going crazy, I will not be giving any vouch copies. I think I've proved myself enough in this market to be able to do so.

Would like to post a review about it!

Hit me up if there is a vouch copy available

I'm interested, does the method require paid traffic? in how much time and how many hours a day would you have to spend to see for example \$100 a day of profit, do you have proof of earnings?
Thanks

the price is \$11.99 or \$162.99?
