#Anonymous - February 22, 2019, 7:20 am

Hello there.

We at DollarVPN are happy to announce we have finally launched the software tons of people have waited for.

Since DollarVPN are a Hackforums exclusive VPN for the launch we are interested in giving out free trial codes to everyone in hackforums, to get some Feedback so we can improve our service.

How to join the giveaway.

- Create an account [Here](#)
- Send a Private message to me in Hackforums with your User-ID
- Woila now that is complete wait 1-24hours and you will receive a 48-Hour Subscription to test out our platform.

Have any questions?

Talk to our live chat team, send me a pm in hackforums, create a ticket or email us at Support@Dollarvpn.net for a quick reply.

We are interested in hearing all about the feedback, and hope that as many as possible will join us in the journey.
