Ramb0x - February 22, 2019, 6:40 pm

Hello.

Today i was bored so i decided to create a sqli challenge.

The challenge is simple:

- sql inject a given site
- and then post picture like i did

Here is the page link:

<http://www.cowboysofcolor.org/profile.php?ID=1>

after you get the columns, try to do this:

Solvers:
