Thread: [FREE account cracking mentorship](#)

wtf - February 24, 2019, 5:31 pm

I'm bored and I'm willing to teach a few quality members on hf the ways to crack accounts.

I can help over screenshare and help you with a free setup or if you're looking to crack in massive scale i can link you to the right sources.

I'll help a few people that are active and post quality things on HF.

Post below if you think you qualify and I'll pm you my discord if i think you qualify too ?

Leave your discord in the post if you want the mentorship

Takehito Morokuzu - February 25, 2019, 12:53 pm

Hey, can you help me out? I have tried this before but ended up getting lots of premium accounts that only work either for a few hours or I just never get premium ones.
