Great earnings! Keep up the good work! Always deliver your product. DO NOT SCAM. Keep your customers happy and you'll triumph! This is marketing on sex and will always sell with good management.

Keep up the good work! Cheers.

400\$ in a day ain't bad at all! Is this an all-time daily high for you?

wolu - February 25, 2019, 5:38 am

@mentoles Yes, that's the highest amount I made in the day. I usually earn 50-100 \$
