Thread: [crypter for njrat](#)

LysergicPsyched - *March 1, 2019, 1:00 am*

What is the best crypter for Njrat 7.0, very new at this stuff and my purpose of using njrat is to mess up some scammers, my neighbor got jacked 500 bucks cuz shes like 70 years old and they took advantage of that so I'm going scammer hunting. any advice will be much appreciated ?

you want to use this for malicious purpose, be careful the Law will not spear you when you commit a crime because of circumstances.
