Auction

for

Xerotic Bot DNA Award

Hello everybody. My name is Xerotic and I [the full time developer](#) here at Hack Forums. I will be (and have been already!) creating plugins, adding features to the site, and improving site functionality where needed. While I am in this position I will be dedicating my time towards HF full time. In order for this to be possible, however, I must be able to earn money to pay my bills. As part of a plan to allow me to dedicate the time I will be (and have been) dedicating to HF, Omniscient has allowed me to grant the [Xerotic Bot DNA](#) award once per month with the understanding that it will be sold or auctioned each month (or granted for free/not granted at all). This will allow me to afford my rent/bills so that I can continue to pump out code and bring some amazing features to HF. Features that have been talked about for years are going to be coming to HF swiftly, but only as long as I am able to afford to dedicate all of my time towards the site.

Award

The Xerotic Bot DNA award is very rare. It has only been granted to a few members! The award will only be granted once per month and it will either be sold, auctioned, or given away. It is designed to support me so that I can support Hack Forums.

I would like to thank [Novica](#) for creating the award image.

Auction Details

I will update the thread with the current high bid and bidder as often as I am able to. If you are the winner of this auction you can have the Xerotic Bot DNA award granted to yourself or another member.

End Date: March 8th, 2019 @ 12:00pm, Central Time Zone

Xerotic and I have discussed options for replacing the monthly award with something more stable. The award used to go for BIN within 1-2 days. I can't say for sure if this will be the last award or not but this definitely can't last forever.

Award raffling will be the best option IMO.

Each ticket costing \$25 or \$50 will have 40 or 20 tickets respectively.

I really like this raffling idea but I think that pricing is too steep and kinda confusing/complicated with the # of tickets.

Keep it simple to something the majority can afford.

\$20 for a ticket and (optional) \$10 for every additional ticket after that.

50 participants will net Xerotic at least \$1000 & I'm sure more than 50 people will buy a ticket for a shot at the DNA Award / prizes.

I don't think it's the best idea. Do you really think 50 people are all gonna throw up 20\$ for a shot at the award? I don't. I think it'll go badly and then slightly diminish the value of the award.

That also being said, I think 1000\$ is getting to be a bit steep for this award. It used to hit bin in 1-2 days because of the hype stage but now we have to add 3 awards for people to BIN it and it still isn't getting bought. Personally, I think it's worth it but alas that's the situation we're in.

Yeah right, that's why I proposed only to have 20 tickets. Winning probability will be high too.

In November/Dec, Xerotic had a patreon page where people were willing to contribute every month so I think they can do it here too.

He is paid a salary, the site does not generate a million dollars and he has expenses like everyone else, this is a way to supplement income for Xerotic so he can live comfortably while helping HF grow and add awesome features

I don't know much about the financials and no one does besides Omni and whoever he decides to tell, but I get the idea he does not just take all the money from memberships and awards etc, running a site this large and keeping it secure and safe require large amounts of money to begin with.
