Thread: [Contract templates broken?](#)

Tslam - March 2, 2019, 12:53 am

Hi,

Have had a few buyers report to me that they get a 503 error when clicking on a contract template button.

Anyone else having issues?

Example thread with issue:

Thanks :)

I don't have any issues with your contracts.

Ok, strange haha. Closing this thread, seems to be working now. Must have just been a temo glitch.
