(Mar 2, 2019 10:41 AM)rith Wrote: [\[CITE\]](#) i guess but i'd try and resolve with the OP, sometimes it's just a misunderstanding but in this case i agree

1. He acted like he didnt get anything

2. He blocked me on discord and logged out instantly
3. He was being all buddy buddy with me and was refusing to use contract system
4. If he wants to resolve it he can pay me my money then can move on

Crazy plot twist. He said he was getting f cape done with team viewer and someone else took the money and is willing to give me the 75\$ BTC. I think he just chunked the 100m in the arena and won lol
