This looks like a great service. Are all the envato products legit? Like obtained legally?

If so, I'd love to take you up on a vouch if possible.

My review about digishop services

Got a chance of getting a vouch for this high quality services by ThomasGB.

I must say, i didnt knew it will be that good as i thought. Their website is really good and clean built with great deposit and amount system which will make whole order process quicker and easier!

About my order

I got my order delivered to 2 mins! Really quick and fast service. You will get it just notification when its available and you can download it from the website

Overall

In overall i must say, really good and one of the best services on HF with this type of service! Huge vouch for this guy!

Man this guy is strictly business, got my theme 5 minutes after purchase, astonishing service will bookmark for future reference.

I bought 3 themes worth 150 for half the price, this is the service you need when it comes to Envato.

Grim - April 24, 2019, 9:57 am

Will be using this later. Looks great man!

I337 - April 25, 2019, 5:20 am

I just try it! Works great! got me a theme for WordPress. 1 min delivery! Good on site support and distort support! can vouch!

BarryJones - April 28, 2019, 11:49 am

Amazing service bought a theme for WordPress delivery was very fast! Thank you so much I will be buying more in the future!
