It's my favorite anime of all time, if it does that would be amazing.

Doubt so, Madhouse rarely does s2. The LN is going great and ending soon btw.

Just read the LN, as the person above said it is ending soon. Also it's a really good read.

auto anime_has_second_season = [](category_as_int category, c_anime_producer producer) ->
bool

    return (category == CATEGORY_DRAMA || category == CATEGORY_SLICE_OF_LIFE) &&
producer == INDIE_ANIME_PRODUCER;
};
