Thread: [Selling 1TB PS4 Pro Jailbroken](#)

Tiny ?ick - March 5, 2019, 3:21 pm

Figured I would post this on HF as well to see if anyone was interested. Currently getting rid of the ps4 as I really don't use it, got it for christmas kept it on jailbreakable firmware played some games and that's pretty much it. If I play any games they are usually on my switch or pc.

Includes W/ Console:

1 x Conroller

1 x USB

1 x Mono Headset

1 x Power Cable

Does Not Include HDMI Cable

I have seen them ranging on ebay from \$300 - \$350 (\$300 console only, \$350 with cables)

Price:

\$300 BTC

\$325 PP (Goods & Services)

Edit: If outside of U.S You will have to pay for shipping.

Do you sell the dust aswell or are you gonna keep that?

Jokes aside a jailbroken ps4 is great especially for PS collectors.
