HQCheckers - March 6, 2019, 9:24 am

Description

Hi, I tested out some methods I had and noticed great conversions and happy results. So, I will be selling my service which will advertise your Snapchat - many people seem to have trouble gaining traffic, whether that be for eWhoring or CPA.

I will advertise your Snapchat, get you lots of adds and traffic.

If you purchase, please include your Snapchat username in the contract.

If you have any pre-sale questions, please ask in the thread so everyone else can see the question & answer :)

You will be looking at around 100/200 adds roughly, maybe more, this is high quality traffic which will be 99% men/males. I can also provide female traffic if you wish, but you'll have to ask me about that at the time.

Huge vouch for this service.

I made the purchase and it was delivered almost instantly. I started receiving adds in a matter of minutes.

I used this to get traffic to my e-whore. And it was very effective. Got around 100 adds, maybe more, and made a \$100 sale, and I'm close to finish another \$100 sale.

I will use this again for sure. Also I'm still getting adds and people sending chats.

5 stars service
