NARUTO LOL

jk.. but I really enjoyed Elfen Lied.

UrLocalNewbie - March 11, 2019, 3:21 pm

Well there's 2,

1- One Punch Man (tbh i love watching it because i just chill, since there's no intense storyline)

2- BTOOOM! (because what the fuck, the ending was too open to even be considered an ending)

Very Complicated - March 11, 2019, 3:52 pm

Naruto, it has a sequel but it's shit.

?rescent - March 11, 2019, 5:03 pm

Classroom of the elite, I'm pissed that it doesn't have one.

Not a sequel but I kinda wished Bleach had another ending, haven't rewatched it since so can't say if I'll think otherwise if I did.

No Matter How I Look at It, It's You Guys' Fault I'm Not Popular!

Dope - April 2, 2019, 12:29 pm

Uh prolly Death Note cuz I was still hoping that something would happen at the end. Maybe I'd just want to change the end itself.. :(

Second season to Hulu on the 9th. Think the first episode is already supposed to be out in Japan.

Bleach already has manga continuation but I wish they'd adapt it to an anime. So that's probably first on my list.
