Thread: [Premium Sellers Section or Secondary?](#)

Dr. Einyel - March 7, 2019, 10:42 am

Guys, I want to offer a service to create .edu emails for those who doesn't want to do them by them selves.

But I checked and I'm aviable to start a thread on Premium Sellers Section but I'm not sure if I am really allowed.

Can I?

I have found that they are both as good as each other. No real difference. You should post it in the services section.
