sorry, very large thread and im dealing with lots of students from my training session so im extremely busy. will try get to it tonight

Smart - March 16, 2019, 6:48 pm

@ M L T

if you don't have time for this thread brother i would go and make one but i don't wanna repeat what others already said so if you think letting someone else have time do it for you i will go with it think about it and let me know please

Louis - March 20, 2019, 3:53 pm

remove the thread its clogging the section smh
