My Kik = ThePutin, if u have any questions

Free Stock share worth £10 - £100 / €10 - €100

You have to be From The UK - Ireland - Switzerland Germany - Netherlands Note This can only be done once

(Can't post the Link so PM me For the Info)

(You need an national insurance number to signup)

Make sure you signup for an Invest account.

Then you need to deposit the Minimum amount Requested £1/€1 into your Invest account (it will say inv at the top corner).

Then They will give you a free share worth
£/€10 to £/€100

You can Sell your Free stock Then withdraw the funds then close The Account

I can't Post the link to Imgur PM Me for proof I got the Minimum Share of £9.12 You could Get more easy money in mins for Just signing up

Trading212 probally?

If not please let me know.

I can confirm it's trading212, and I got a share worth £6, it did withdraw successfully, but the real reason the OP is posting this is to farm referrals so he gets a free share when you deposit £1 into the trading platform.
