the popcorn/drinks expire in June 2020, and the movie tickets never expire.

use them whenever you wish. these are not cracked or stolen in any way so there is a 0% chance of the coupons not working up until they expire.

I sent you a pm hopefully you reply back

The price used to be \$9 until he must be low in stock and now want \$14? That's ridiculous as movie tickets for individual go for \$10.

\$43 for 4 tickets which is about \$10 per ticket

Includes large popcorn and large drink. your link is for ONLY a ticket. Go trash sales elsewhere.

My sets for \$14 include a movie pass, large drink, large popcorn.

\$43 + tax is roughly 47 for the link you posted which is about \$12/ticket which doesn't include popcorn or drink. my deal is still very good compared.

Only reason this deal was good because it was \$9 per movie ticket vs Costco's \$10.75 movie ticket. \$14 is hardly a deal for anyone anyways. GLWS.

Please stop commenting trash. You are literally commenting to sales trash not even a relevant comment. My sales include more than just a ticket, they include LARGE popcorn and LARGE drink.

To be honest I'd rather pay the \$14 for the ticket and snacks than end up spending like \$25-\$30 paying full price.. Sounds like a good deal to me ?
