How am I reselling it at dirt cheap price ?

Well, I leaked it (Irony?) From their site;

No course is worth 4000\$! Besides, Real hackers don't pay 4k\$ to learn how to make 1k\$;)

DETAILS ABOUT THE COURSE -

The worlds most advanced ethical hacking course with 20 of the most current security domains an ethical hacker will want to know when planning to beef up the information security posture of their organization. In 20 comprehensive modules, the course covers over 270 attack technologies, commonly used by hackers.

Our security experts have designed over 140 labs which mimic real time scenarios in the course to help you "live" through an attack as if it were real and provide you with access to over 2200 commonly used hacking tools to immerse you into the hacker world.

The goal of this course is to help you master an ethical hacking methodology that can be used in a penetration testing or ethical hacking situation. You walk out the door with ethical hacking skills that are highly in demand !

Original cost including all the tools and tutorials - 4000\$

The best tutorial on the planet at 1/10th the price !
