Hey looking to see if anyone's interested in buying this site all you really have to do is Market a little bit copy and paste your click bank link. I already checked and there's not one Instagram really marketing this niche but I haven't looked on Facebook. Let me know your offers thanks.

Getting some, have an Instagram that drew attention

You have to do the seo.

Is this still for sale? If so is there a current bid/BIN?

Please shoot me a PM.
