Any voich copies to prove this service is legit?

Cocaine - March 18, 2019, 10:11 pm

A vouch copy would be nice to see if this is legit. I would be willing due to having to give over epic info. Pm me if you want or choose another good standing member. Make sure to use a vouch contract too.

John Key - March 19, 2019, 1:57 am

He's already had alot of sales before this guys. I'd link your old sales thread man.

carcossa - March 19, 2019, 2:04 am

Link ur old sales thread so it shows

(Mar 22, 2019 09:02 PM)????????????????Beast Wrote: [\[CITE\]](#) How are you obtaining these? Pretty sure its just changing your region on Xbox to Turkey, costs like \$55 for 13500

blvckgame - April 8, 2019, 12:17 am

Now Selling only 2800 and 13500 Vbucks Packs!

New prices :

2800 - 20\$

13500 - 72\$

Accept only BTC atm !

AR and TR methods die because Microsoft UP price on this stores...

To PayPal im dont have any idea because for store when im can buy , high price to gift cards on all platforms who selling.

If have orders , im can accept! Attention - on future this service can be die and we buy Vbucks for full retail price...
