Thread: [Cyber Gents GROUP For Sale \[LIMITED DISCOUNT: 2.5k\]](#)

RAT - March 15, 2019, 2:52 pm

Hello fellas!

Me and Mr. Robot are currently selling Cyber Gentlemen group. I had to make a new thread because Mr. Robot has a temporary ban right now, but he will return very soon.

The reason behind this thread is to let you know that there's a discount right now. The original price of 1 BTC has been replaced with a new price for a limited time.

The group has: Ridiculously low price of [2,500 USD]. You can later sell for a higher price with a profit.

One main forum.

Two subforums, which can be password protected.

Very intelligent and professional members (So think twice how you're gonna rebrand the group - highly recommended to discuss things through with the members for the best output).

CURRENT HIGHEST BID [by [Notorious](#)]: 1,750 USD

Let me know if you're interested - we're open up for negotiations.

Part of the funds will be invested in the game development and we will most probably buy the group back in the future.

If anyone is interested, please contact me or Mr. Robot.

Thank you.

Sad to see this happen, but oh well. I hope the game ends well ?

iNviZ - March 15, 2019, 5:00 pm

Best of luck with selling the group. Seemed like a good group.

Spaark - March 15, 2019, 5:24 pm

I selfishly don't want to see this group go. While activity wasn't something to be starstruck by, everyone I encountered was very HQ.

On another note, best of luck with the game development. I still plan to be a contributor :)

GLWS!

RAT - March 19, 2019, 4:32 am

I have currently updated the price one last time. Let me know if anyone is interested or not, it has two subforums.

Most probably will have to raise the price back up again next week.

Thornzzz - March 19, 2019, 5:25 am

You should add how many sub-forums you have within your group and stuff.

Might help lure buyers.

aggh465ddd - March 19, 2019, 5:28 am

Sad to see this actually. Good luck whoever buys it.

TrustWoofers is a nice guy. Hopefully someone is willing to realize this is bargain pricing.

Good luck selling your group, man.

Why won't we be here too long?

@xadamxk, I don't get what you're trying to accomplish or prove.

Ub3r will not be the future of this forum. Do you know how I can predict that? Because I'm going to make it so that it's true. You don't have to like it or agree with it to understand you can't stop it. I'm intentionally killing Ub3r group. It might be a slow painful death too. In 2-3 years I'll be shocked if even 10% of the online list is Ub3r.

I'll offer \$1750 and pay the relevant fee(s) but not sure if I can even own a group.

Well, of course, the UB3R group will die out eventually now that it's been removed. It will last however long we decide to stay.

Who will be the last UB3R standing ?

Okay, seems fine, if you're approved. U can offer 1.8 so it's fair for the other lad (unless he is not approved).

I cannot edit the post [need to contact omni to raise the 15 edit cap for that post lol].

Is this the moment you realized nobody who made an offer has funds ready?!

RAT - March 31, 2019, 5:28 am

I am really sad to do it. Hopefully I won't regret my decision in the future, which I most probably will because I sold this thing with a loss due to time pressure and liquidity problems.

Anyway, Mr. Robot and I will be back on HF soon enough and Mr. Robot will present you one of the most epic games you've ever seen, so prepare yourselves for that.

Unfortunately, I haven't been able to contact him for a week, but hopefully, I can get the opportunity to help him fund the game ASAP.

Good luck to the new owner and may everyone's journey be successful!

Cyber Gents will never die.
