They have to be linked to the edu email that you buy from me . To be honest I haven't tried changing the email to a different one. But better safe than sorry ;).
And it's totally fine to ask any questions that you might have I will be more than happy to answer.

Emails usually last for a year and above.
Haven't had any issues so far, regarding prime it lasts for the full duration and you won't face any issues.
Lmk if you have any other questions

Unfortunately it cannot be linked.

Also the unlimited google drive isn't available anymore. Outlook emails currently offer 100Gb of storage. And the google drive vary by school

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
