Thread: [anyone here gonna see Avengers: Endgame?](#)

QMark - March 17, 2019, 6:43 pm

So is anyone here going to see Endgame?

It looks really good.

devnull - March 17, 2019, 7:48 pm

I'll probably just wait until I can torrent it which will be quite a while. I did enjoy the last one and do want to see it. The trailer looks, ok though.

Did you see Captain Marvel? I thought that was a good one too.

Gofishwow - March 18, 2019, 2:53 pm

Saw Infinity War in the theater.. more so for the family entertainment of going to the movies. I do enjoy all of the movies from the Marvel Universe but only go to see like 1 out of 5 before there's a digital release.

MAST3RM1ND19 - March 20, 2019, 4:22 am

I can't fucking wait it's gonna be so good!

I reckon its gonna hit 1.5b at box office

thesergio1 - March 21, 2019, 5:09 am

A very good movie is coming!!!

TheDeadeye - March 21, 2019, 2:25 pm

I'm probably going to see it as soon as it comes out very hyped

Android 17 - March 21, 2019, 9:16 pm

There are two ways it's going to end:

Marvel sells out to SJW's everywhere and Captain Marvel deals with everything. (Remember the MCU is a separate universe from the comics.) I'm really hoping it's not this.

Ronin (AKA Hawkeye) shoots an arrow with Ant-Man attached up Thanos' ole poop chute and Ant Man expands ?

Kidding about the second. Fearing for the first.

Endlessweek122 - March 22, 2019, 2:37 pm

Ill probably see it in theaters, it looks decent enough.

Merekkai - March 22, 2019, 10:25 pm

Infinity War was amazing and can't wait to see Endgame next month!

QMark - March 22, 2019, 10:25 pm

I think Captain Marvel probably WILL be the one to beat Thanos at the end, but it's still gonna have to be a good enough story that it's plausible for a serious movie right? I mean it's MCU we're talking about here.

What else do you expect to happen?

Saw Infinity war in the theater for 4 times.

Encyklita - April 4, 2019, 1:09 pm

??????????Michael Kors - April 4, 2019, 1:11 pm

I am. Can't wait for it to come out.

QMark - April 4, 2019, 2:04 pm

Its gonna be the last avengers movie for sure.

Lol, it was great getting involved with these characters.

Definitely was fun.

Avengers are gonna die, lol. That is unless Captain Marvel gets a sequel. Bucky will probably be the second Captain America.

Spiderman will get a sequel so we know he is revived.

Crypt - April 4, 2019, 2:17 pm

I plan on going to theaters to see it.
