Thread: [FREE Website creation \(HTML5 & CSS3 & JS \) - Portfolio Building](#)

WhatTheLeak - March 19, 2019, 3:00 pm

Please ask me everything per PM, and try to keep the thread clear for feedback. I thank everyone who follows this wish.

Remember that I am not a senior developer :D

WhatTheLeak - March 21, 2019, 6:31 am

Push! Still have time for free projects right now!

Mudhoney - June 4, 2019, 4:16 pm

Hey man I got something u can do

cloudtdxlabs - June 4, 2019, 6:15 pm

Yeah I have a site needed as well - PM me if possible
