Thread: [\[1\] Free FUD Copy of Private Crypter + Bonus \\$\\$](#)

Hopsin - March 19, 2019, 4:15 pm

Hey there mates,

Its been a long time since I hosted a contest so this will be a long contest. Anyway, let's get started:

I am sharing (1) FUD Copy of this Custom-Coded Private Crypter which was never released or sold on HF.

[Bonus: 1 copy of my Paid eBook how to earn stable 15-25\$ maximum per 24 hours. Proof & Instructions Included in the eBook]

Details & download(s) link will be provided to the winner only!

Previews / Screenshots: (UI Terrible, name terrible but still, it is FUD. Might add more features in the crypter for the winner exclusively)

How to enter contest:

Quote:Post here. (Your post number is your entry number)

Notes:

Code Maximum 2 entries per member. If you have 3 or more entries, will be disqualified in case you got selected.

It doesn't matter if you are old or new member. Everyone have equal chances of winning.

If you post asking questions, it is still counted as entry. Questions should be asked via PM only.

Whatever you post is automatically counted as entry.

Don't forget the 2 maximum entry limit.

Winner will be chosen randomly

When winner will be selected:

Code When this thread reaches 2000 replies!

=====

FAQ:

Why 2000 replies! WTF Are you on drugs? :

Posting to enter, thanks for holding this OP.

Geass - March 19, 2019, 5:33 pm

2000 posts, so we need 1000 users x2 entries each, I don't think this will ever end but I will leave my entry here.

dracx - March 20, 2019, 12:16 am

I hope I get that ebook and crypter, I know I have a very small chance of getting picked here, but still, I believe in faith. GL to everybody who made an entry.

Mercury - March 20, 2019, 1:01 am

I'd like to enter this contest. Thank you for the opportunity.

Regards.

Silent hill - March 20, 2019, 1:04 am

lets see i have a very low chance to win, anyway m number is 666.

Frankey - March 20, 2019, 6:17 am

Hmmm. Reaching 2000 posts is going to be really hard, though. Goodluck to everyone!

Maybe removing the 2 posts limit might make it a bit easier? ;)

YoungSom3a - March 22, 2019, 6:15 am

Entering, Good thing. thanks for doing this.

Vobz - March 23, 2019, 2:05 am

mod - March 31, 2019, 7:18 am

this thread will never reach 2000 posts because not that many people want your shitty crypter/ebook

hope i win !! if i do, im scanning the stub on virustotal asap

SUI-3183372 - March 31, 2019, 10:50 am

Averaging 2 posts a day. I'll see you guys in 2.7 years.

DopplerAF - March 31, 2019, 10:51 am

You might have to make it lower from 2000 cause it might never reach there, good luck everyone.

802.1X - March 31, 2019, 10:55 am

We never know what might happen, good luck everyone, this will be our 1/2000 shot.

Anti' - March 31, 2019, 11:19 am

2000 replies, boi what are you smoking?

Wafflemonger - March 31, 2019, 4:19 pm

I'm just posting here because it's quite amusing. It would take like another week for 200 posts hahahaha.

ETH - April 3, 2019, 5:17 pm

I'm entering for the very long contest
