Hi,

Some users are offering 75%

Not salestrashing! Just to let you know in case you want to compete with them

pd. If i buy more than 5 item per order, will get a bigger discount?

Thanks and GL

I've noticed now. I'm partnered with someone and i did not know other people are selling that, but i can't go higher. Now there will be no discounts and they will go \$20 each not to complicate it.

It's something else i believe.

Added 15% to the discount as the rules changed.
