Thread: [Uncover | \[Fully Working\] PSN Resolver, PRI8 CF Resolver, Port Scan \[ALL FREE\]](#)

LimitlessJeff - March 20, 2019, 12:23 pm

+About+

Its on a free domain, there are bugs and some spelling mistakes however, its totally free and everyone can enjoy uncovers first public release.

We only have a small list of tools/resolvers/scanners ect as its a marketing technique to have a tighter group of users to focus on what we will be adding in the future.

+Options of tools+

Very well-working Cloudflare resolver

Skype resolver

Port Scanner

+Other+

List of tutorials not yet constructed

List of 'top' stressers

+HF+

We're open to suggestions on what to add, we are a happy HF user and will offer free multi-API's to any user just pm me.
