Nonetheless, I hope you earn more! Thank you, I hope so as well! I had to "pause" the listing though, since I had to order all the products and it takes some time :)

Will start selling again today / tomorrow.

Nobody who clears over 300k a year gives away any of their methods. Just not logical. Training? Sure. Ebooks and methods? Garbage.

Not really, allI made was \$700. (since I stopped using the method thanks to eBay 21 day holds. The method won't even be anything special, it's just eBay reselling where i'll provide the best products and sellers to make good profit with.

That's kinda funny.. calling me a scammer without even knowing the method.
Also, the method will never get saturated and a lot of people already do it, so I don't even mind sharing it.
