Found a goldmine of a site for sugar daddies online.

Dude has sent me ~\$1.4k in a matter of days and I haven't sent him a SINGLE NUDE. Just a selfie every now and then hahahah

Thought I'd share my success.

EDIT: And the best part is this was all through cash app so no selling AGC at 70%!!

I was thinking about this a few days ago and was thinking the same thing, the essence of ewhoring is extremely sad, but this kind of money is pretty hard to pass up, when it requires less effort than getting McDonalds
