Thread: [\(WTB\) Verizon and ATT accounts](#)

Funkagolik - March 27, 2019, 4:45 am

Hey guys,
need logs on sso.verizonenterprise.com (login/pass) with email access as well.

Preferrably from logs (with cookies).
Can be from old logs, doesn't matter.
I verify ur accounts, if their valid, pay good money for it.

Can buy bulk, need them constantly.

Pm me for contacts.

Thanks.
