he doesn't seem to answering even though he was online

So you're not even gonna state who the winner was? Seems pretty sus tbh.

Tad fishy, not posting the winner's name.

I have also noticed some users hosting contests and asking for rep then going away/self invoking

bans without announcing any winners. Go look at some of the contest threads closed on here

EIDoc - April 8, 2019, 9:02 am

Saw the guy hasn't replied to receive his AGC, posting again just incase.

he disappeared 2 days after he got asked who won the contest, I sent him PM out of curiosity and he refused to answer and become aggressive on his PMs ? ?

probably he hopes this will get forgotten before he return.
