as the title says. top quality, checked daily,
updated via any media, PM on hf, skype, email, etc.
I personally verify each one with a very accurate checking tool

HIGH QUALITY PRIVATE PROXY FROM PAID SOURCES LEAKED TO YOU PERSONALLY FOR YOUR NEEDS..

90 day service (updated daily--> 500 high quality leaked and personally tested proxy servers,
HTTP/HTTPS,SOCKS4,SOCKS5, OR SOCKS4/5 lists)
\$20

MATH ON DAILY COSTS, COMPARE AT TWICE MY RATE. there's a reason why I am offering this, I know how much of a hassle it can be to find specific proxies, not a collection of 150,000,000 and 1,256,000 are duds and you bought them under the impression that they were "paid proxies".....these aren't that. these should be 100% hits.

120 day service(updated daily--> 500 high quality leaked and personally tested proxy servers,
HTTP/HTTPS,SOCKS4,SOCKS5, OR SOCKS4/5 lists)
\$25

still offering these,

in fact, I am offering them for free, in exchange for completing an action on my content locker for a 7 day pass to my premium private proxies curated specifically to your needs.
